A NEW YORK CITY BATH BY JULIE HILLMAN.

This Arabescato Corchia marble has such a strong presence, so I softened the room with the curvature of the sink, which was sculpted from one block.

MIXED MARBLES AT A RAFAEL DE CÁRDENAS PROJECT IN ENGLAND.

▶ **NEOLITH BY THESIZE** Mirage sandstone; price upon request. neolith.com

▶ **CORIAN DESIGN**
Cosmos Prima surface; price upon request. corian.com

▼ **FIANDRE**
Calacatta Statuario porcelain; price upon request. graniti.fiandre.com

▶ **PARIS CERAMICS**
La Bohème marble slab; \$93 per sq. ft. parisceramicsusa.com

We used three marbles, all different colors and grain sizes. The veining on one is so rococo, it's almost figurative.
