Modern Eclectic DESIGNED BY JULIE HILLMAN

Hillman's multidimensional schema has room for sharp features such as a sleek hood and a La Cornue range, as well as weathered elements like a vintage Scandinavian farm table and Belgian stools for added warmth. Ceiling beams and a chalky mantel complete the scene.

1. Small and Medium carafes, from \$75; Mud Australia, 848-580-1984.
2. Nickel (#H77909) latch, to the trade; H. Theophile, 212-727-0074.
